|                        | 30 <sup>th</sup> June      | 31 <sup>st</sup> July        |
|                        |                            |                              |

**UPDATE ON COUNCIL COORDINATED/RUN/HOSTED EVENTS:**

Upcoming council annual rally to be held in Albury/Wodonga in May 2017 is progressing well. Entries are coming in from all over NSW. This event will be held over the weekend of the National Motoring Heritage Day which should attract a large number of participants. It will also be the AGM meeting of the CHMC

**RESTRICTED/CONCESSIONAL REGISTRATION UPDATE:**

The latest news to hand re the Classic Vehicle Scheme (CVS) is that the minister has finally signed off the brief. The next step is likely to be detailed preparation for the introduction of the CVS. The likelihood of a Peak Body to be the Authorising Entity is highly possible. The choice by the RMS of a Peak Body or Bodies has not yet been determined. The CHMC has been very active liaising with the RMS through many meetings & detailed MOU.

**COUNCIL NEWSLETTER & WWW ARTICLE HIGHLIGHTS:**

The notification that L, P1 & P2 drivers in NSW, not being able to drive ANY vehicle that is not fitted with seatbelts from November 2017, will be detrimental to the movement. This is being taken very seriously by CHMC as this will impede our younger family members ( and others ) being invited to drive our heritage vehicles. We are trying to encourage our younger generations not discourage them. The CHMC Committee have resolved to seek a Ministerial exemption for these drivers of HVS vehicles.

**NATIONAL MOTORING HERITAGE DAY EVENTS – PLANS/DETAILS:**

Nothing further at this stage

**UPDATE RE NATIONAL EVENT/RALLY 2020:**

More to come on this from CHMC Half Year meeting to be held in Parkes 29/10/2016. Hopefully we will have lots of delegates attending to voice some more ideas

**INDUSTRY TOURS OR SEMINARS PLANNED/CONDUCTED:**

Nothing planned at this time.

**OTHER BUSINESS:**

Seeking clarification regarding winches on trailers. There appears to be updated information regarding trailers as Tow Trucks. As far as I can ascertain this applies ONLY to person/s carrying on a business involving towing, either truck or trailer.
